Dear Students,

We are happy to invite you to a One-Day State Level Students' Workshop on "*Linguistic Exploration in Technical Writing*" on 25th April, 2022 at our college.

About the College

St. Joseph's College is an affiliated First Grade College of Bharathidasan University. It was established in 1844 by the Fathers of the Society of Jesus (The Jesuits). It was affiliated with the then Madras University in 1869. The College celebrated its Centenary in 1944, Sesquicentenary in 1994, and Dodransbicentennial (175 years) in 2019. It was awarded the Five Star Status by NAAC in 2000, and was recognized by UGC as a College with Potential for Excellence (CPE) in 2004, and Special Heritage Status was awarded by UGC in 2015. The College was nationally reaccredited with 'A++' Grade by NAAC (IV Cycle) in 2019. This Jesuit College up brings young men and women of ethical quality, knowledge and skills to be leaders in all walks of life, so that they may serve the people of our nation and humanity in truth, justice and love.

Department of English (Shift - II)

Department of English is one of the oldest and the pioneer departments of the college. Since there was a growing demand for the study of English Language and Literature, the college envisaged starting B. A. English in Shift II in 2007 and M. A. English in 2011. The department has been periodically revising and updating the syllabi with socially relevant and job-oriented courses which have gained currency in academic circles. Currently, there are 20 staff members and 450 students. The students are given quality education with a holistic vision.

About the Workshop

The rapid development of technology has necessitated a form of language used to communicate about technical topics by using technology. The information that technical writers communicate is simple but often complex. So, strong writing and communication skills are essential. In this regard, understanding lexical and stylistic aspects of technical writing will help one to excel in job market. Therefore, this workshop focuses on exploring technical writing and its elements.

The Objectives of the Workshop

The workshop aims at,

- Sensitising participants on the lexical and stylistic elements of technical writing.
- Training participants in the use of modern tools and techniques in technical writing.
- Enhancing the writing skills of the participants in composing, editing and revising technical documents

Target Audience

- Undergraduate and Postgraduate Students
- Aspiring Technical Writers
