Tiruchirappalli - 620 024

**Prof. Mohanraj R**

Professor & Chair  
Dept. of Environmental Science & Management  
Bharathidasan University  
Tiruchirappalli - 620 024

# The Nexus of SDGs-Orientated Teaching and Academic Excellence

The initiative is designed to provide educators with deep insights into the evolving educational landscape of Higher Education Institutions (HEIs). By aligning pedagogical practices with global standards, we aim to empower our faculty as "Gen-Alpha Facilitators" who can drive institutional transformation at the individual, departmental and college levels.

Key Objectives:

- **SDG Integration:** Embedding UN Sustainable Development Goals (SDGs) into core academic disciplines.
- **Curricular Integration:** Moving SDGs beyond extracurricular clubs and into the heart of the curriculum through innovation and outreach.
- **Curriculum Mapping:** Identifying natural alignments between the 17 SDGs and specific Programme/Course outcomes.
- **Project-Based Learning (PBL):** Designing student-led projects that address local community challenges through the lens of the SDGs.
- **Policy & Leadership:** Developing "Green Campus" and Social Responsibility initiatives for departmental adoption.

Session	Time	Resource Person / Session Details
Session I	09.30 a.m. – 10.15 a.m.	Prof. Arthur James R
Session II	10.15 a.m. – 11.00 a.m.	Prof. Mohanraj R
