Quality Culture: Moving from Compliance to Excellence

The initiative aims to equip our faculty as "Gen-Alpha Facilitators," capable of transforming Higher Education Institutes (HEIs) through strategic activity at individual, departmental and college-wide levels.

Key Objectives:

- The Evidence Trail: Connecting daily classroom activities (attendance, assessments, feedback) to NAAC Attributes.
- Closing the Loop: Analysing student feedback and results to implement actionable quality improvements.
- Benchmarking & Ranking: Understanding how individual faculty visibility directly impacts NIRF parameters, outreach and perception
