FR. LAZAR ENDOWMENT LECTURE

One-Day Seminar on
**RESPONSIBLE RESEARCH
IN THE AI ERA:
ETHICS, AUTHORSHIP AND
SCHOLARLY PRACTICES**

07 FEBRUARY 2026
9.30 A.M. - 4.30 P.M.
SAIL AUDITORIUM

ARRUPE LIBRARY
ST. JOSEPH'S COLLEGE (AUTONOMOUS),
TIRUCHIRAPPALLI - 620 002.

About the College

St. Joseph's College (Autonomous), Tiruchirappalli, founded in 1844 and autonomous since 1978, is affiliated with Bharathidasan University and guided by the Jesuit ideal Pro Bono Et Vero (For the Good and the True). The College holds NAAC A++ status and ranks 25th in NIRF 2025, offering UG, PG, and doctoral programmes with a strong commitment to academic excellence and holistic education.

About the Department

Established in 1909, the Arrupe Library is the central academic resource of the College and houses over 1,80,000 volumes. Key developments include automation, Web OPAC, Digital Library, RFID services, Binding Section, and the Digital Resource Centre.

The library actively promotes a reading and research culture by organizing programmes such as International Literacy Day celebrations, book reviews, book donation drives, book fairs, and the annual Rev. Dr. S. Lazar SJ Endowment Lecture, along with

seminars and academic events. The library continues to serve as a dynamic learning space for the Josephite community.

About the seminar

The rapid use of AI and digital tools has transformed research practices while raising concerns about ethics, authorship, plagiarism, and responsible use of technology. The Fr. Lazar Endowment Lecture, One-Day Seminar addresses these issues by sharing expert insights to promote ethical and credible research practices.

Objectives of the Seminar

The seminar seeks to:

- Promote awareness of research integrity and ethical scholarship.
- Educate participants on authorship norms, plagiarism, and publication ethics.
- Enhance understanding of citation practices and referencing tools.
- Introduce AI tools in research and emphasize their ethical and responsible use.
- Encourage a culture of credible and responsible research in higher education.
