REGISTRATION FORM

INTERNATIONAL CONFERENCE
ON
FRONTIERS IN LIFE SCIENCE
(ICFLS 2016)

Name : _____
Designation : _____
Address : _____

Phone : _____
e-mail : _____

Participant/ Presenter:

Title of the Paper:

Accommodation required: Yes/ No

Details of Payment: _____

Date : _____

Signature

Photocopies of the registration form can be used

ORGANIZING COMMITTEE

CHIEF PATRON

Rev. Dr. S. John Britto SJ
Rector, St Joseph's College (Autonomous)

PATRONS

Rev. Dr. S. Sebastian, SJ
Secretary, St Joseph's College (Autonomous)

Rev. Dr. F. Andrew, SJ
Principal, St Joseph's College (Autonomous)

CONVENOR

Dr. G. Melchias
Dean, School of Biological Sciences

ORGANIZING SECRETARY

Dr. R. Jeyachandran
Head, Department of Botany
St Joseph's College (Autonomous)
Tiruchirappalli

EXECUTIVE COMMITTEE

Dr J John
Dr S R Senthil Kumar
Dr S Sahaya Sathish
Dr.K Rajan
Dr A Egbert Selwin Rose
Dr S Soosairaj
Dr T Francis Xavier
Dr M Francis Sathiyaseelan
Dr H David Raja
Dr Y Justin Koilpillai

INTERNATIONAL CONFERENCE
ON
FRONTIERS IN LIFE SCIENCE
(ICFLS 2016)

7th & 8th JANUARY 2016

Organized by

DEPARTMENT OF BOTANY
(DBT-STAR & DST-FIST SPONSORED)
SCHOOL OF BIOLOGICAL SCIENCES
ST. JOSEPH'S COLLEGE (Autonomous)

Special Heritage Status Awarded by UGC
Accredited at 'A' Grade (3 rd Cycle) by NAAC
College with Potential for Excellence by UGC

TIRUCHIRAPPALLI – 620 002

TAMIL NADU, INDIA

HOST INSTITUTION

The St Joseph's College upholds and radiates Goodness and Truth in its endeavour to impart quality higher education. This educational establishment has been instrumental in churning out thousands of truly educated men; not only physically fit, but intellectually well equipped, thoroughly schooled and disciplined. Thus this College stands for what is best in education, crystallized in its glorious motto ' *Pro Bono Et Vero* ' - truly upholding the glory and honour it richly deserves, testified by time and history. St.Joseph's College is an affiliated First Grade College of the Bharathidasan University. It was established in 1844 by the Fathers of Society of Jesus (The Jesuits). It was affiliated to the then Madras University in 1869. The College celebrated its centenary in 1944, sesquicentenary in 1995 and acquired the **Five Star status**, awarded by NAAC in 2000. It was recognised by UGC as a **College with Potential for Excellence (CPE)** in 2004 and **Special Heritage Status in 2015**. This Jesuit College trains young men and women of quality to be leaders in all walks of life so that they may serve the people of the nation in truth, justice and love.

HOST DEPARTMENT

The history of the Botany Department dates back to the year 1912, when the study of Natural Science was introduced. Many students of this department later became brilliant doctors in India and abroad. In 1952, the BA Botany degree course became BSc Botany. In 1958, St Joseph's College became the first College to offer M.Sc., in Botany outside Madras City under the University of Madras. Former President of India Dr S Radhakrishnan, declared open the present Botany Block in 1958, when he was Vice-president. The department is DBT -STAR and DST-FIST supported and has separate research facilities for Molecular biology, Physiology and Bioinformatics. Over 60 PhD scholars and 150 M.Phil scholars have received their degree through this department.

VENUE

Barbier Hall, Jubilee Building, St.Joseph's College (Autonomous), Tiruchirapalli- 620 002

FOCUS OF THE CONFERENCE

The aim of the conference is to bring together and Highlight recent discoveries and trends in various fields of life sciences and to encourage collaborations in order to facilitate interdisciplinary research. The Conference will comprehensively cover areas ranging from basic to applied research in life sciences. Eminent international and national scientists would present their findings on various topics and the conference will provide participants an excellent opportunity to showcase their research in the form of oral and poster presentations .The Century old Botany department of St. Joseph's College is therefore at the vanguard towards the understanding, vistas in life Sciences of the India and world at large.

THEMES

- Plant molecular biology and Biotechnology
- Bioprospecting of medicinal plants
- Bioremediation ,biomass and bioenergy
- Biodiversity, conservation and sustainable development
- Environmental and Microbial Biotechnology
- Bioinformatics and Nanotechnology
- Animal Biotechnology and Stem Cell Research

TARGET GROUP

We invite post graduate students, researchers, faculty members, industrialists, and NGO's from disciplines related to life sciences.

SCHEDULE

Two day international conference will be conducted on **7th and 8th of January, 2016**. Upon receipt of completed registration forms, registration shall be confirmed and this will be intimated to the participants (by e-mail). Last date of the receipt of filled in registration form: **31st of November, 2015**. Registration fee will not be refunded.

TA/DA AND ACCOMMODATION

No TA/DA will be given for the participants. Accommodation will be arranged on prior request, subject to extra payment.

CALL FOR PAPERS

Participants can present their research findings either orally or by posters. They are requested to send their abstracts in word-doc not exceeding 250 words.

Only selected papers can be presented orally and the remaining could be presented as posters. The selection will also be intimated separately. Special prizes will be given for best papers.

DATES TO REMEMBER

Last date for submission of abstracts - **31.11.2015**

Last date for sending full papers - **15.12.2015**

REGISTRATION FEES

Rs.500 for Indian delegates

25 US dollars for foreign delegates

Mode of payment is through demand draft drawn in favour of "**The Principal, St.Joseph's College**", in any of the nationalized bank payable at Tiruchirapalli.

For Direct Money Transfer:

Indian Overseas Bank, Chinthamani Branch, Trichy

Account No: 13730100018794

IFS Code: IOB A0001375

ABOUT TRICHY

It is Tamil Nadu's fourth largest city. It is situated in the centre of the state, on the banks of the Cauvery River. Trichy is a Municipal Corporation. The most famous landmark of Trichy is the Rock fort temple which is perched on a huge rocky out crop. Trichy city encompasses Srirangam, a Vaishnavite temple and the biggest functioning Hindu temple in the world. Trichy also contains "ThiruAnaikka", House of Water, one of the five main abodes of Lord Shiva. The college houses the famous St. Lourdes Church with sky high tower known for its ambience and architecture. Trichy has a moderate and pleasant climate, with humidity slightly above normal. The climate will be very pleasant during the month of January.
