Host Institution

The Dodransbicentennial **St Joseph's College** has always upheld and radiated Goodness and Truth in its endeavour to impart quality higher education. This educational establishment has been instrumental in churning out thousands of truly educated men; not only physically fit, but intellectually well equipped; nor merely cultured and refined but thoroughly schooled and disciplined. Thus this College stands for what is best in education, Crystallized in its glorious motto '**Pro Bono Et Vero**' - truly upholding the glory and honour it richly deserves, testified by time and history.

Host Department

The post graduate Department of Biochemistry was started in the year 1993, from then, it is imparting quality education in the field of life sciences. It has excellent infrastructural facilities to cater to needs of the students. The teachers excel both in teaching and research. **The thrust areas of research are antioxidant studies, biology, cardiac biology, enzymology, phytotherapy and pharmacology.** The department has organized workshops and seminars in the yester years in association with the other related departments. It has got its numerous alumni well placed in and abroad.

Venue

Department of Biochemistry, Fourth Floor,
Rev. Fr. Arrupe Library Building,
St. Joseph's College (Autonomous),
Tiruchirappalli- 620002, Tamil Nadu.

Focus Of The Workshop

The aim of the workshop is to enable the participants gain hands on experience in histopathological techniques. This would provide an opportunity for the undergraduate students to learn these techniques and would make them an entrepreneur.

Target Group

We invite undergraduate, postgraduate students and laboratory technicians from disciplines related to life sciences.

Schedule

One day workshop will be conducted on **5th of February, 2020**. Upon the receipt of filled in application forms, registration shall be confirmed **(by e-mail or phone)**.

Technical Sessions

- 1. Principles of Fixation and Processing**
- 2. Demonstration of fixation and processing with simulated specimen tissues at various stages of processing**
- 3. Principles of blocking and Microtomy**
- 4. Demonstration of Blocking**
- 5. Principles of H&E staining**
- 6. Demonstration of Microtomy with hands on experience**
- 7. Demonstration of H&E staining with hands on experience**

Registration Fees

Registration fees: RS. 200/- (includes working lunch).

Mode of payment is through Demand Draft drawn in favour of
"Mr T. Antony Diwakar Chandran,
Head, Dept. of Biochemistry,
St. Joseph's College (Autonomous),
Tiruchirappalli- 620002,
Tamil Nadu,
India",

in any of the nationalized bank payable at Tiruchirappalli,
or Spot registration with duly filled in application signed by
the head of the department.

Patrons

Rev. Dr. LEONARD FERNANDO, SJ

Rector, St. Joseph's College (Autonomous)

Rev. Dr. M. AROCKIASAMY XAVIER, SJ

Principal, St. Joseph's College (Autonomous)

Rev. Dr. S. PETER, SJ

Secretary, St. Joseph's College (Autonomous)

Dr. V. ALEX RAMANI

Deputy Principal, St. Joseph's College (Autonomous)

Organizing Secretary

Mr. A BENNO SUSAI VIJAYAKUMAR

**Asst. Prof. Department of Biochemistry
