SJC RATED AS BEST NEW LOCAL CHAPTER BY NPTEL - 2021-2022

Dear Professors,

Greetings,

I am happy to inform that our College with NPTEL Local Chapter Number **(LC-4567)** has topped the List of **Best Five New NPTEL Local Chapters** introduced last year. I thank all the Department Heads, MOOC Coordinators, the Mentors and all the students who actively participated in various courses. In a special way, I thank Dr. A. N. Paul Angelo **Dean SPS**, Single Point of Contact (SPOC), in applying and articulating this achievement.

Totally 291 have cleared NPTEL/SWAYAM Certification in the Jan - April 2022 Examinations; 109 have cleared through LC: 4567 that has gained this credit. Please encourage our students to register through our NPTEL Local Chapter portal **(LC-4567)** - the registration for June-December 2022 has already started. Your constant support will gain NPTEL EXAMINATION CENTRE status for our College.
