TIRUCHIRAPPALLI - 620 002, INDIA

Organize CSIR-NET/SET Coaching Classes for Mathematical Sciences

27 May 2019 - 8 June 2019

MADURAI PROVINCE

Jesuit traveled to all parts of the world to proclaim the good news of Jesus. Realizing the vital role that education plays in humanizing the society, they founded schools and colleges and offered not merely academic education, but also discipline and important human values. They give preference to the poor, Dalits, Tribals, oppressed women and children.

DEPARTMENT OF MATHEMATICS

The Department of Mathematics is the oldest department in St. Joseph's College and has a lion's share in the prominence and the progress of this great educational institution. Incessant showers of success from the Department of Mathematics at the under graduate level ever since 1844 proved its academic fertility to stake its claim for Post Graduate courses.
