About the College

St. Joseph's College (SJC) was founded by the Jesuit visionaries in 1844 with the noble aim of educating humanity for the Good and the True (*Pro Bono Et Vero*). SJC now serves as a beacon of light for everyone aspiring to pursue holistic higher education.

The college caters to the educational needs of all sections with a marked emphasis on the preferential option for the poor, the marginalized, the first- generation learners and the other deprived sections of the society.
