### ABOUT THE DEPARTMENT

The Department of Commerce was started in the year 1948, for offering the three-year B.Com degree course with the motive of inculcating professional ethics and competency in business and management. The B.Com course has been offered in Shift-II since 1972. The department is very proud to have introduced and taught Card Punching, BASIC, COBAL and FORTRAN - the most popular computer languages as early as 1970s. The Post Graduate course (M.Com) was started in 1988. Twenty of our staff hold M.Phil Degree, fourteen hold Ph.D Degree along with NET/SET and ten are recognized as Research Supervisors. The department was elevated as the Research Department in 2003 and has produced 54 Ph.Ds. The department is the pioneer in the state in introducing courses on business ethics, computer languages and applications and accounting software. The department reached yet another milestone by launching ACCA, UK integrated B.Com Honours programme in 2020. The department prepares students to pursue professional courses such as CA, ICWA and ACS through feeder courses. The department has secured **BEST DEPARTMENT AWARD** in the Annual Academic Audit for Five consecutive years from 2019 - 2020. The department was acclaimed glories with the celebration of 75 years – Diamond Jubilee of Commerce Shift-I and 50 years – Golden Jubilee of Shift - II in 2023 - 2024.

### ABOUT THE FDP PROGRAMME

The Department of Commerce, St.Joseph's College (Autonomous), Tiruchirappalli – 2, affiliated to Bharathidasan University, Tiruchirappalli – 24, Tamil Nadu is going to organize an Indian Council of Social Science Research (ICSSR), Southern Regional Centre (SRC), Hyderabad, Telangana-500007 sponsored Three Day National Level Faculty Development Programme (FDP) on **"Innovative Teaching Pedagogy, Modern Teaching and Learning Methods for Teachers and role of Research in 21<sup>st</sup> Century"** during January 7 - 9, 2025.

The core objective of the FDP is to equip the research scholars and teachers with a set of skills and potentially to undertake the research and teaching very effectively in their disciplines. The FDP programme identifies three areas of achieving its targets. Teaching pedagogy, learning methods and modern research tools for teachers and researchers. The incorporation of digital tools like digital classrooms, virtual reality, and other digital and e-learning technologies can be used to create immersive learning experiences.

### OBJECTIVES OF THE COURSE / PROGRAMME

The prime objective of the Three Day National Level FDP Programme is planned to organize and to enhance participants' understanding and application of advanced innovative and teaching methodologies. The programme/course aims to provide better teaching practical skills, theoretical in sights, and hands-on training to enable the participants to design, prepare, and utilize the modern teaching tools that enhance research effectively. The inclusion of modern teaching methods can help students enhance their creativity, imagination, and innovation. This FDP programme will address the modern teaching and learning techniques, role of teachers in innovative teaching pedagogy and role of research in 21<sup>st</sup> century.

The goal of innovative teaching pedagogy is to foster the professional development of teachers and integrate students into the process. Innovation is the driving force behind the transformation of education, and embracing innovative tools is key to unlocking its full potential. The integration of innovative tools in education has sparked a paradigm shift, transforming the learning experience into an engaging, personalized, and collaborative journey. As we continue to embrace these advancements, only the educators can unlock the potential of every student, preparing them not just for academic success but for a future filled with possibilities. The future of education is bright, fueled by innovation and the unwavering commitment to empower the next generation of learners.

For the above proposed theme of the FDP programme the following area are identified as sub themes such as;

- ❖ Role of Technology in Teaching Learning Process
- ❖ Teaching approaches for an effective engagement in Social Studies
- ❖ Digital Education: OER Perspective
- ❖ AI in Academic Research (AI Powered Data Analysis, Literature Review, Writing Assistant, Grant Writing and Ethical Consideration)
- ❖ Teaching: Profession and Vocation (Experiential Approach)
- ❖ Implementing AI tools in your Teaching Practice
- ❖ Innovative pedagogies in 21<sup>st</sup> Century Education.
- ❖ Classroom teaching and e-content preparation for teachers using AI technology
- ❖ AI in Education & Teaching (AI Education, Tutoring, content creation, Assessments, Plagiarism and ethical consideration.

### OUTCOME OF THE COURSE

This Faculty Development Programme certainly will highlight some of the insights on new teaching methodologies specifically designed with the developing context in mind. Teachers learn how to engage students, move away from rote learning and towards deeper levels of understanding, and how to encourage teamwork in the classroom. This programme will be very helpful to young teachers and researchers to improve students' leadership and teamwork skills, neither of which are taught in the college curriculum. This programme will appraise and accelerate learning in the classrooms through hands-on training, leveraging digital tools and localized learning resources enabling high-quality outcomes. This FDP programme includes eminent speakers who will share perspectives and issues related to the topic and the participants would get numerous benefits, including knowledge on the latest developments of the topic, gaining expert knowledge and renewing motivation and confidence.
