## ABOUT ST.JOSEPH'S COLLEGE

St.Joseph's College (SJC), Tiruchirappalli in TamilNadu, India, was established in 1844 by the Society of Jesus (Jesuits). The College has always upheld and radiated Goodness and Truth in its endeavor to impart quality in higher education. It is currently an affiliated first grade college of Bharathidasan University. It is the only college in TamilNadu awarded with "Special Heritage Status" by UGC. It acquired Five Star status awarded by the National Assessment and Accreditation Council (NAAC) in 2014, was recognized by UGC as a College with Potential for Excellence (CPE) in 2004, and was accredited by NAAC with A++ Grade [4th Cycle] in 2019.

## ABOUT OUR DEPARTMENT

The Department of Data Science was founded in the year 2020. The Department offers M.Sc. (Data Science), an interdisciplinary program spanning 2 years (4 semesters) that merges together contributions from Computer Science, Machine Learning, Math and Statistics. The Department of Data science aims at making young minds proficient in the rapidly emerging field of Data Science and strengthening their career prospects by inculcating in-depth expertise in data science. In addition to regular classes, Students can hone their skills by joining various stream classes offered by the department. The Department perceives a brighter future for data science as it mobilizes a wide variety of ideas to construct powerful science of data.

## ABOUT THE SEMINAR SERIES

An aptitude test is a systematic way to assess a candidate's mental capability as how he/she accomplishes certain tasks and responds to diverse scenarios. This Five-day seminar series will facilitate the students to understand the basic to advanced concepts required to clear the Aptitude Tests conducted during the campus placements and provide them a deep conceptual understanding of various concepts to bring a higher level of expertise.
