Department of Computer Science
St. Joseph's College (Autonomous)
Tiruchirappalli – 620 002.

Date: 24-08-2022

Dear Students,

Greetings from Prof. A. Charles, Head - Department of Computer Science...!!!

The Department of Computer Science has planned to conduct a *VALUE ADDED COURSE: DATA ANALYSIS USING PYTHON* during September 2022 through **online and offline**. We have already conducted the course three times earlier from the academic year 2020-2021onwards. More than 300 students of our college who benefited out of this course. As per the request of many students, the department of computer science has planned to conduct the **Value Added Course on "DATA ANALYSIS USING PYTHON"** once again from **5th September 2022** (*tentatively*). Python is one of the most wanted programming language in the IT industry. Students who are interested can register your name **on or before 30th August 2022.** All the participants will receive certificate after completing the course. Registration Link will be available in College Website.
