A One Day Workshop for the Mentee Institutions on Preparation for NAAC Accreditation – A Participatory Process Under the UGC Scheme of PARAMARSH 29th September 2021

Venue: Jubilee Hall

St. Joseph's College (Autonomous), Tiruchirappalli, Tamil Nadu is one of the oldest educational institutions that have stood the test of time. With its 176 years of educational excellence and service, the college has been recognised by the UGC as a Special Heritage Institution, and had been accredited at A⁺⁺ Grade with a CGPA of 3.58 in Cycle IV by NAAC. The college, as a UGC-recognised Mentor institution under the Scheme of PARAMARSH, has been extending its guidance to six Mentee Institutions in the preparatory process for NAAC Accreditation.

The college has been actively engaged in realising the goals of the PARAMARSH Scheme as envisioned by the UGC, and has organised various programmes that have offered valuable insights on Identification, Pooling and Processing of Data based on the requirements of the NAAC RAF Manual. Despite the COVID-19 Pandemic lockdown, the college has conducted Online Webinars and Faculty Development Programmes to motivate the Mentee Institutions, and impart to them the nuances of the SSR.

This One-Day Workshop for the Mentee Institutions on Preparation for NAAC Accreditation – A Participatory Process is yet another attempt to take the Mentee Institutions a few steps forward in the process of becoming NAAC Accredited institutions. The Workshop aims at strengthening the IQAC and its quality initiatives, explaining the intricacies of the NAAC manual, the DVV Process and the expectations of the Assessors.
