Report on Inauguration of Electronics Association:

Inauguration of Electronics Association was held on 12-08-2022 (Friday) with blessings and felicitations of Rev. Dr. K. Amal SJ, Secretary, St. Joseph's College, Trichy. During his felicitations he emphasized on the Chinese contribution to electronics and asked the students of Electronics Department to have such a vision to serve the nation through their field of study. Dr. Arul Daniel, Professor, Higher administrative grade, Department of Electrical and Electronics Engineering gave the inaugural address. In the inaugural address, Dr. Arul Daniel expressed that the dynamics of mobility is definitely moving from typical combustion engine to electric motor and drivers associated with it. Lot of room for youngsters to work in areas like autonomous vehicles and designing drives for vehicles exist and only electronics students will be deemed to be fit for such jobs. He requested the students to improvise the basic knowledge in battery charging systems to management system, motor drivers and charging station design which in turn will help them to get a good job. To summarise, his talk was focused on future trends in e vehicle job market for electronics students. Earlier Dr. B. Kanickairaj, Head, Department of Electronics welcomed the gathering and invited all the students to actively participate in the association activities. Dr. V. Manickam, President, electronics association delivered the vote of thanks.
