"ADVANCES IN
APPLIED CHEMISTRY"**

Friday, 14th December 2018

Organized by

**DEPARTMENT OF CHEMISTRY
SCHOOL OF PHYSICAL SCIENCES
St. JOSEPH'S COLLEGE (Autonomous)**

Special Heritage Status Institution - UGC
Accredited at 'A' Grade (3rd Cycle) by NAAC
College with Potential for Excellence by UGC
DST-FIST Sponsored & DBT - STAR College

TIRUCHIRAPPALLI - 620 002, INDIA

ABOUT THE INSTITUTION

St. Joseph's College is First Grade College affiliated to Bharathidasan University. It was established in 1844 by the Fathers of Society of Jesus (The Jesuits). It was affiliated to Madras University in 1869. The college celebrated its centenary in 1944, sesquicentenary in 1995 and acquired Five Star status awarded by NAAC in 2000. It was recognized by UGC as a College with Potential for Excellence (CPE) in 2004. The college is nationally reaccredited at A grade (3rd cycle) by NAAC in 2012. It has received the DBT's Star College Status in 2015. The college is proud to say that Dr. A.P.J. Abdul Kalam, former President of India, is our illustrious alumnus. This Jesuit college trains young men and women to be leaders in all walks of life so that they may serve the people of the nation in truth, justice and love. This is the only college in TamilNadu received a special status from UGC as a Special Heritage Status in 2016 and this year our college proudly celebrates the 175th year of educational excellen

ABOUT THE DEPARTMENT

The DST-FIST sponsored Department of Chemistry in St. Joseph's College was started in the year 1906. In 1951, the Department started research programme. Research work in almost all areas of chemistry started flourishing. The pre-university course was introduced in 1956 and Master of Science course in Chemistry (MSc) in 1960 and MPhil in 1983. The Department is well equipped with FIST-Instrumentation Lab. The Department has produced about 650 MPhils and 85 PhD Scholars. Currently 73 scholars are pursuing research for PhD. More than 2500 research papers were published by the Department in many chemistry journals of National and International repute. For the past 10 years, the Department has been conducting CSIR-NET/SET/GATE and IIT-JAM coaching classes. It has helped many students to get qualifying these examinations.

ABOUT THE CONFERENCE

Applied and Advanced Chemistry offers excellent opportunity for scientists, research scholars, academicians and industrialists to present, discuss and debate on recent innovations, trends, experiences and challenges in the field of chemistry. It is a unique conference, which provides

an in-depth analysis through paper tracks on the emerging research areas of chemistry. Invited lectures will be delivered by eminent professors and renowned scientists in chemistry. We are proud to welcome you to this National Conference.

THEMES

Exploring new concept and achieving
Future advancement in chemistry world

- **Drugs from natural sources**
- **Synthetic organic chemistry**
- **Nano materials**
- **Phytochemistry**
- **Environmental science**
- **Green chemistry**
- **Polymers and composite materials**
- **Bioinorganic chemistry**
- **Material science**

CALL FOR PAPERS/POSTERS

Original works on the themes mentioned above are invited for oral /poster presentation.

ABSTRACT

Participants are asked to send soft copies of abstracts for both poster and oral presentation for about 250 words typed in word (Times New Roman with font size 12). Abstract would cover important aspects of research work. Abstract can be sent to ncaacsjc2018@gmail.com on or before 16.11.2018

ORAL PRESENTATION

For oral presentation, the presenter would be expected to make 5 minutes presentation with Microsoft Powerpoint.

POSTER PRESENTATION

Participants for poster presentation would be given a space of 3 feet breadth and 4 feet height.

REGISTRATION FEE

Participants are requested to pay the required fees as per details given below along with registration form.

Students/Research Scholar	: Rs. 300/- (Participation)
Students/Research Scholar	: Rs. 400/- (Presentation)
Faculty & Industrialists	: Rs. 400/- (Participation)
Faculty & Industrialists	: Rs. 500/- (Presentation)

The DD should be drawn in favour of "SOCIETY OF ST. JOSEPH'S COLLEGE" payable at Tiruchirappalli.

Author and co-authors must be registered separately. The fee covers the seminar kit, lunch and refreshment. Certificate will be given to all participants. No TA/DA will be paid.

DATE OF CONFERENCE

14 December 2018, Friday. Spot registration is also accepted only for participation.

PUBLICATION

Best papers will be published in Research Explorer (A Refereed and Reviewed Quarterly International Research Journal on Multidisciplinary), ISSN No.2250-1940 (Print), 2349-1647 (online), Impact Factor: 2.014 (IRJIF), 1.85 (JIF), 1.056 (RIF), NAAS Score: 2.6, on separate payment of the following fee.

For Single Author	:	Rs.800/-
For every additional Author	:	Rs.400/-

ADVISORY COMMITTEE

Dr. A. Ilangoan,
Professor and Chair, School of Chemistry
Bharathidasan University, Trichy-24

Dr. Karvembu,
Professor, Department of Chemistry,
NIT, Trichy-15

Dr. S. Basker,
Associate Professor of Chemistry,
IIT, Kanpur

Dr. K. Alagiri,
Assistant Professor, School of Chemistry
IISER, Trivandrum

Dr. S. Isaiah,
Associate Professor of Chemistry,
Bishop Heber College, Trichy-17

Dr. A. Jafar Ahamad,
Associate Professor of Chemistry,
Jamal Mohamed College, Trichy-20
